

COMPLEMENTARY SKILLS TRAINING A.Y. 2024/2025

Notice for doctoral students:

All lectures are delivered face-to-face (except for the The Phd in perspective: guidance for a mindful career development course).

All lectures are in English language.

To register for seminars go to the page [Complementary skills training](#) (enrolment usually opens one month before the course).

If you cannot attend, please remember to notify the PhD office (in order to notify other Ph.D. students that the position is vacant).

Upon completion of each activity, requiring at least 75% attendance, the secretary will record attendance in the Esse3 booklet.
