ATTACHMENT 8ter

LAST REVISED 13/10/2021

DOCTORAL PROGRAMME in INDUSTRIAL AND INFORMATION ENGINEERING ADMISSION INFORMATION

See Overview

Disclaimer: the tables below provide a quick outline of due dates and required documents. Please refer to the <u>Notice of Competition</u> for full information on conditions for applying.

REQUIREMENT	DEADLINE
online application and upload of documents	21 October 2021 13:00 (Italian time)
payment of the admission exam fee	21 October 2021
deadline for graduation	31 October 2021
upload of foreign diploma or certificate	21 October 2021 (if available after 21 October, please send it by email to dottorati@amm.units.it within 10 days of graduation)

Documents to be uploaded NOTE: applications sent without the mandatory attachments will not be processed			
1.	proof of identity (eg passport)		
2. curriculum vitae et studiorum, with reference to any postgraduate qualifications, participation in research projects, attendance of theoretical/practical internships and training internships related to the topics of the PhD course, as well as any publications.		mandatory	
3.	university qualifications: a. for graduates and near-graduates in Italy: I) self-certification of all examinations and relevant scores of second-cycle degree	mandatory	

programme, i.e. Laurea magistrale (LM), Laurea specialistica (LS) or Laurea vecchio ordinamento (LVO) II) self-certification of LM, LS or LVO final mark (only for graduates). Self-certification can be drafted using the form available online, or using the online services of the concerned University. b. for graduates and near-graduates from abroad: I) Transcript of Records including examinations and scores obtained. Where applicable, a **Diploma Supplement** can be submitted instead of the Transcript.

II) Master diploma/certificate or equivalent qualification giving access to the Doctoral Programme (only for graduates).

The foreign qualification must be comparable by level and course duration (and, where applicable, by subject area) with the required Italian degree and allow access to the PhD in the issuing country;

III) Translation into Italian or English of the above documents, if issued in a different language.

4. thesis abstract

It must be submitted by both graduates and near-graduates, in English or Italian. We recommend to use the "Thesis Abstract form, available online.

mandatory

5. research project in one of the main themes, "Innovation" or "Green", offered by the chosen PhD Programme. Under "Project abstracts", applicants can find a description of the project proposals that they are recommended to develop according to the "research project form", available online. Applicants may apply for more than one scholarship, provided that they submit one project per scholarship.

mandatory

6. publications that will be considered in the evaluation of the CV

optional

Applicants who hold a foreign degree and have never enrolled at this or other University in Italy must also upload their Secondary School certificate.

PLACES AND SCHOLARSHIPS AVAILABLE				
Total number of funded places 3		3	Note: Scholarship increase for study/research abroad can be granted only for uninterrupted periods of no less than 60 days. The number of months abroad that can be funded, as shown below under each scholarship description, must be spent within 31 December 2023. Any periods abroad beyond that date might be funded by the relevant Department, where applicable.	
Scholarships (code, total number and	PON/12	1	Scholarship MUR/PON co-financed by the Department of Engineering and Architecture	
description)			Subject Area: Sustainability	
			Project title: "Advanced design of eco-sustainable integrated meta-materials with high vibro/acoustics and thermal efficiency for the marine industry"	
			Principal investigator: prof. Marco Biot	
			Project link	
			Company where the PhD student will spend a compulsory study/research period of 6 months: Consorzio Servizi Navali e Industriali Scarl	
			Months abroad: 12
