## DOCTORAL PROGRAMME in MOLECULAR BIOMEDICINE ADMISSION INFORMATION

## Overview

**Disclaimer:** this is only an overview including the main deadlines and a checklist of items to be submitted. Exhaustive information on how to apply for admission is published in the <a href="Notice of Competition">Notice of Competition</a>.

REQUIREMENT	DEADLINE
online application and upload of documents	17 June 2019 1:00 p.m. (Italian time)
payment of the admission exam fee	17 June 2019
for Italian degrees: deadline for graduation	31 October 2019
for foreign degrees	1 October 2019
submission of foreign degree diploma/certificate (if available by 17 <sup>th</sup> June, please upload it; beyond that date, please email to dottorati@amm.units.it)	within 10 days of graduation (and in any event not later than 11 October 2019)

	Documents to be uploaded (*)  NOTE: failure to submit the mandatory documents will result in the exclusion of the candidate	Mandatory / Optional
1.	proof of identity	mandatory
2.	curriculum vitae et studiorum, focusing on experience prior to the PhD and on degree thesis activity (description of techniques acquired, personal contribution, etc)	mandatory
3.	<ul> <li>university qualifications:</li> <li>a. for graduates or near-graduates in Italy: self-certification of the examinations and relevant scores of second-cycle degree (<i>Laurea magistrale</i> or <i>specialistica</i>) or single-cycle degree (<i>Laurea</i>, delivered prior to the reformed university system). Only for graduates: self-certification of the degree final mark. Self-certification can be drafted using the form available online, or using the online services of the issuing University, where applicable.</li> </ul>	mandatory

5. a	statement of purpose in English	optional
co	or graduates and near-graduates: <b>abstract of the degree thesis</b> (i.e. Master degree or omparable qualification) to be drawn up according to the template "Thesis Abstract form" vailable online.	mandatory
Pleas	se note that if all documents as described in points b. and c., are issued in a language other than English or Italian, a translation must be included, along with the original document.	
	Transcript of Records including examinations and scores obtained in the academic Programme (Master or equivalent). The Transcript must indicate the name of the qualification to be awarded which must be comparable by duration and level (and, where applicable, by subject area) with the required Italian degree and allow access to the PhD in the issuing country.	
C.	Master diploma/certificate or equivalent qualification giving access to the Doctoral Programme + Transcript of Records including examinations and scores obtained. Where applicable, a Diploma Supplement can be submitted instead of the Transcript. The academic qualification must be comparable by duration and level (and, where applicable, by subject area) with the Italian degree giving access to the Doctoral Programme and allow access to the PhD in the issuing country.  for near-graduates from abroad:	

Please note that if you have a degree from abroad, and you have never been enrolled at this University or other Italian university, you must also upload your Secondary Education qualification.
